Science Olympiad Events consist of both building and academic type events. In order to accommodate the student's desires, while meeting the rules of the Olympiad Competition (most are 2 participants per team), everyone will have the opportunity to participate in at least one of their top Build choices and no more than two or three academic choices. Criteria to be placed on a team includes: 1) attendance, test results, previous experience, coach review, and event coverage. Students agree to attend and participate in all coaching sessions throughout the training period and complete any work assigned by respective coach(es) as agreed. Habitual absence or failure to follow through on assignments may be cause for expulsion from the team.

The Science Olympiad is a school endorsed program and all rules of DNHS are to be adhered to. Violation of any school rules including: drugs, alcohol, violence, intimidation, harassment, profanity, abusive language or property damage may result in disciplinary action or permanent exclusion from the Science Olympiad team. In addition, student and parent agree to be responsible for any damage done, accidentally or purposefully, during the competition or coaching.

While we are working to fully fund the Science Olympiad team, donations of \$50 per student will be gladly accepted. Please note this is considered a donation only and is NOT a requirement for joining the team nor is it a guarantee in being placed on a team. The registration fees are to cover the cost of supplies, registration, food, t-shirts & trophies.

Please rank events that you are interested in. If you have no interest and will kick and scream if you were asked to participate, please leave those events blank. You **MUST** pick at least 5 events.

1= Most Interested

5=Least Interested

List more if there are events after 5 that you would consider.

Every effort will be made to assign students to their preferred events.

Event	Rank	Event	Rank
Anatomy & Physiology		Physics Lab*	
Cell Biology		Trajectory*	
Disease Detective		Chem Lab	
Ecology		Environmental Chemistry	
Ornithology		Forensics	
Astronomy		Egg-O-Naut*	
Dynamic Planet		Elevated Bridge*	
Fossils		Mission Possible*	
Remote Sensing		Mouse Trap Vehicle*	
It's About Time*		Experimental Design	
Picture This		Technical Problem Solving	
Write It-Do It			

**Previous Science Olympiad Experience:**

Please list previous SO experience. List more recent experience first.

School	Grade	Event	Participated	Regional Place	State Place

**FOR PARENT ONLY:**

Please check all areas that you are willing to volunteer for:

- Coaching \_\_\_\_\_
- Assistant Coaching \_\_\_\_\_
- Scheduling and Facility Coordinator \_\_\_\_\_
- I have a wood or metal shop to be used: \_\_\_\_\_
- Snacks \_\_\_\_\_
- Day of the Event Coordinator \_\_\_\_\_
- Fundraising, Treasurer, Sponsors \_\_\_\_\_
- Post-Regional Picnic \_\_\_\_\_
- Other \_\_\_\_\_
